I, Raylene Vigil Hereby certify that the attached advertisement of NOTICE OF TENTATIVE APPROVAL NO. M/023/011 for STATE OF UT NAT'L RES was published by the NEWSPAPER AGENCY CORPORATION, AGENT FOR THE SALT LAKE TRIBUNE and DESERET NEWS, daily newspapers printed in the English language with general circulation in Utah, and published in Salt Lake City, Salt Lake County in the State of Utah.

PUBLISHED ON FEB 02 1988

SUBSCRIBED AND SWORN TO BEFORE ME THIS 3RD DAY OF FEBRUARY 19 88

**NOTICE OF TENTATIVE APPROVAL NO. M/023/011
BEFORE THE BOARD OF OIL, GAS AND MINING
DEPARTMENT OF NATURAL RESOURCES
STATE OF UTAH**

IN THE MATTER OF TENTATIVE APPROVAL OF THE MINING AND RECLAMATION PLAN SUBMITTED BY: THOMAS J. PECK & SONS JUAB COUNTY, UTAH

THE STATE OF UTAH TO ALL OPERATORS, TAKERS OF PRODUCTION, MINERAL AND ROYALTY OWNERS, AND PARTICULARLY ALL PERSONS INTERESTED IN SECTIONS 3, TOWNSHIP 13 SOUTH, RANGE 1 EAST, SLBM, JUAB COUNTY, UTAH

Notice is hereby given that tentative approval was given by the Division of Oil, Gas and Mining, on January 20, 1988, to Thomas J. Peck & Sons to continue surface mining operations in Section 3, Township 13 South, Range 1 East, SLBM, Juab County, Utah.

The name of the mining operation is the Nephi Gypsum Quarry and the person representing the company is Robert Steele, 1055 North 4th East, Nephi, Utah.

Thomas J. Peck & Sons has fulfilled obligations under the Utah Mined Land Reclamation Act of 1975 (Section 40-8, UCA, 1953, as amended) with specific reference to Section 40-8-13 and will employ the following mining and reclamation techniques on approximately 12 acres of private land.

During Operations

Gypsum will be drilled, blasted and moved with a dozer to the lower bench. The gypsum will then be crushed and hauled to local cement plants. Water will be sprayed as needed to control dust. The quarry slope will be seeded as the upper bench moves downward.

Following Operations

1) The roads and pad areas will be recontoured and gypsum fines spread over the pad areas.

2) Water bars will be constructed on the upper mine road and the berm along the creek will remain intact. The roads and pad areas will be scarified and seeded.

Any person or agency aggrieved by this tentative decision is hereby requested to submit written protest within thirty (30) days of the date of publication to the Division of Oil, Gas and Mining, 355 West North Temple, 3 Triad Center, Suite 350, Salt Lake City, Utah 84180-1203.

DATED this 25th day of January 1988.
